

# GEC CAB

## Unparalleled Service and Experience from the Top EPEAT Experts

The Global Electronics Council Conformity Assurance Body (GEC CAB) is focused on providing the best possible experience for brands wishing to register their products in EPEAT. It offers services that are tailored to each client.

GEC CAB has supported EPEAT Participating Manufacturers since 2006 and has personnel located in the Americas, Europe, and Asia. By solely focusing on EPEAT product registration, its personnel have an unmatched technical understanding of EPEAT's requirements and promptly meet its clients' service requirements.

GEC CAB is professional, consistent, and impartial, strengthened by its ongoing accreditation to ISO 17020. GEC CAB's focus on EPEAT, combined with its responsiveness, technical acumen, and user-friendly service, allows it to offer clients one-of-a-kind experiences.

### WHAT TO EXPECT WITH GEC CAB

**Focus on EPEAT and Unmatched Expertise:** GEC CAB staff are experts in both the EPEAT Program and EPEAT criteria and are exclusively focused on EPEAT conformity assurance. This focused knowledge means clients have expert advice readily available.

**Tailored Conformity Assurance Services:** GEC CAB offers services that meet the needs of each client's unique business and supply chain structure. Its experts explain EPEAT Criteria requirements in practical terms related to each individual situation.

**Timely Responses to Submissions and Questions:** GEC CAB clients can expect timely responses to their document submissions and conformity assurance questions, helping to ensure the product review and registration process stays on schedule, keeping clients focused on the next priority.

**Availability to Meet with Manufacturers:** GEC CAB's tools and detailed document review take away the guesswork and simplify the conformity assurance process.

**Detailed Conformity Assurance Documentation:** GEC CAB's tools and detailed documentation review take the guesswork out of the equation and simplify the conformity assurance process.

**Unlimited Product Registrations per Product Category:** GEC CAB provides conformity assurance services for an unlimited number of products for that EPEAT category.

## OUR SERVICES

Companies want as much certainty as possible when undergoing any conformity assurance process. The program and criteria experts at GEC CAB are best positioned to help companies understand and meet EPEAT Criteria. GEC CAB provides accurate and relevant feedback critical to successful EPEAT product registration, especially when Criteria are updated, and new technical issues arise.

EPEAT Criteria can be intricate and situationally specific, and companies don't want to settle for general knowledge on these complex topics. Instead, GEC CAB offers tailored conformity assurance services to meet each client's unique needs and unique supply chain structure. GEC CAB's experts explain EPEAT Criteria and the requirements in practical terms related to each client's situation.

GEC CAB's feedback is also highly responsive and its personnel pride themselves on timely responses to document submittals and questions. The goal is to help product registrations stay on schedule and keep clients focused on their next priority, whether that be related to EPEAT or to other business activities.

GEC CAB personnel are available to meet with clients to explain technical aspects and answer any question as needed. This is in addition to any regular check-in meetings that are already scheduled. GEC CAB's tools and detailed document review feedback take away the guesswork, simplify the conformity assurance process, and set companies up for success.

## USING GEC CAB FOR EPEAT

The process of contracting and working with GEC CAB is simple and straightforward.

### Step 1: Complete the Informational Form

Complete the Manufacturer Information Form and return it by email.

### Step 2: Sign the Services Agreement

Complete the GEC CAB Services Agreement and return it by email.

### Step 3: Invoice for GEC CAB Fees

An invoice for GEC CAB Fees and instructions for payment is sent.

### Step 4: Conformity Assurance Document Review and Training

GEC CAB sends detailed instructions for accessing the EPEAT Registry dashboard and for the document review necessary to register products. GEC CAB also offers web-based training so clients can hit the ground running and get the most out of EPEAT.

### Step 5: Continued EPEAT Support

GEC CAB continues its support throughout each client's unique EPEAT journey.
